Greetings Readers!

Try

How are you all doing today? It is wonderful and great for us to see another day, Tuesday also known as “Beneda” in the Akan Language of Ghana, West Africa. Join us as we give thanks to the LORD.

As we shared with you yesterday, our page, CONVERSATIONS WITH PREKESE GhanaMedia is an all purpose platform where every topic which is of interests to Ghanaians around the world is important to us. We are committed to providing quality researched information that is aimed at entertaining, inspiring and educating our readers to effect constructive social change in their lives and their communities.

In our presence on the world’s number social network, Facebook, we have developed Special Daily status updates which not only are interesting to read, but very INSPIRATIONAL, and also give HOPE to our people.

The past week saw us creating simple INSPIRATIONAL WORDS made from an acronym that triples the first letter of every day from Monday to Sunday. For example, The first letter of Monday is M, so in our photo messages, we wished our readers and friends, 3 M with corresponding Words. For this week we are representing a verb for the first letter of the day. For example, yesterday was Monday so we had M and the Verb was MOVE.

The above explanation provides the background for the caption for our post today. The day is Tuesday, and the first letter is.....( Please we want you to interact with us....so provide the answer) and the VERB for the day is TRY.

Let us take a minute to think about what the word mean to us.....To many of us it is a call to do something (ACTION) and the need to persevere (DETERMINATION) to succeed. How many times, have you given up pursuing a Goal, Dream, Project or anything of value and importance because of some challenges you faced? Do you consider yourself, a special person, a favor of God and a winner? Do you know that WINNERS never QUIT? So what is going on that is making you show signs of stress and frustration? If you are struggling with meeting any goal or pursuing your dream, take some time off, find some quiet place with a journal ( note book) and jot down what the challenges are. Are you looking for a job and you keep getting a No answer all the time? Stop and ask yourself, what is the problem? Do I have all the qualifications? Is my education enough? Do I have the right Resume or CV? Did I get to the interview on time? Does my mouth smell good? Did my fashion cost me to not get the job? Everybody should ask closely related questions for every dream that he/she has. Dear reader, keep TRYING and be inspired by the lyrics from the reggae legend, a Ghamaican (1) ( Ghana and Jamaica), Jimmy Cliff who INSPIRES the world in his great hit song:YOU CAN GET IT IF YOU REALLY WANT IT: ( Jimmy Cliff)

*You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must TRY, TRY,TRY  
Try and try, you'll succeed at last*

*Persecution you must bear  
Win or lose you've got to get your share  
Got your mind set on a dream  
You can get it, though harder them seem now*

*You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last  
I know it, listen*

*Rome was not built in a day  
Opposition will come your way  
But the hotter the battle you see  
It's the sweeter the victory, now*

*You can get it if you really want  
You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last*

*You can get it if you really want*

*You can get it if you really want  
You can get it if you really want  
But you must try, try and try  
Try and try, you'll succeed at last*

*You can get it if you really want – I know it  
You can get it if you really want – though I show it  
You can get it if you really want  
- so don't give up now*

Thank You Jimmy Cliff for your Motivation for Today. Dear Reader, we want to encourage you to TRY to do something to effect a change in your own life. Whatever you are doing, always be INSPIRED by the wisdom of Grandmaster Jimmy Cliff's lyrics.

As you prepare for the day, do not forget the last words in the lyrics, SO DO NOT GIVE UP NOW.....and be blessed abundantly.

Happy Birthday to everyone whose birthdays falls today. Peace and Love.
